Date of publication and production of master: 1975

Series: Each title is given a seven-figure serial number placed in the top right hand corner of the microfiche title strip. This is an accession number. The first figure indicates the number of the list in which the title first appears: the first three-figure group signifies the gallery or museum; the second three-figure group the accession number for that title.

Copyright: Filmed by permission of the copyright holders. The microfiche edition is the copyright of Chadwyck-Healey Ltd, 1975.

Location of original: The National Art Library, Victoria and Albert Museum, London

Note:

Some text and illustrations are lost through tight binding. This is a problem which we regret we have found unavoidable since we are only filming at the Victoria and Albert Museum those catalogues that cannot be found in other London locations.
